ROADWAY ENGINEERING GROUP MEMORANDUM

To: All Users of Scoping Documents
ADOT and Consultants

Date: October 6, 2006

From: Mary Viparina, 611E
Assistant State Engineer
Roadway Engineering Group

Subject: New "Guard Rail To Bridge Barrier
Transition" Summary Form
In accordance with 6/25/02 Roadway
Design Memorandum
Roadway Engineering Group

The attached Guard Rail to Bridge Barrier Transition summary form is to be utilized as a supplement to the June 25, 2002 Guard Rail to Bridge Rail Transition Design Memorandum.

The form shall be utilized on Pavement Preservation Projects, Major Reconstruction Projects, Widening Projects and other projects as directed by Roadway Engineering Group Predesign Section where existing bridges are to remain in place. The form is filled out by a representative from Bridge Group and Roadway Engineering Group during the scoping phase and included with the Final Scoping Document prior to distributing for signatures. The purpose of the form is to secure concurrence from Bridge Group and Roadway Engineering Group on the treatment of Guard Rail to Bridge Barrier Transitions and identify the work and cost in the scoping document.

You may download the form online on the ADOT Roadway Engineering Group Roadway Predesign website at: http://www.azdot.gov/Highways/RdwyEng/RoadwayPredesign/GUARDRAIL_BRIDGEBARRIER.xls.

Please distribute this memo to all design personnel, project managers, consultants and other users in your Groups, Districts, and Sections. Thank you.
